RE: Annual Confirmation of Parcel Tax Senior Exemption

Dear NAME:

Our records indicate that you were previously approved for the senior exemption to the Measure A or Measure K Parcel Tax. The language of the Measure requires Emery Unified School District to confirm annually that you continue to own the property described as tax assessor parcel number ----- AND that you continue to use said parcel as your principal place of residence in order for this exemption to be confirmed. The full text of the senior exemption, as provided most recently in Measure K (and similarly in the current Measure A), reads as follows:

Senior Exemption. An exemption will be made available to each property owner in the District who will attain the age of 65 years prior to July 1 of the parcel tax year, who owns a beneficial interest in the parcel, who uses that parcel as his or her principal place of residence and who applies to the District on or before July 1, 2017, or July 1 of any succeeding parcel tax year.

Any one application from a qualified applicant will provide an exemption for the parcel for the remaining term of the parcel tax so long as such applicant continues to use the parcel as his or her principal residence. Senior exemptions granted during the term of the existing school parcel tax Measure A or the immediately preceding school parcel tax measure will continue.

In order to confirm your senior exemption for the upcoming parcel tax year, please read the statement below, sign your name in the space provided and return this annual update form to the District on or before June 15, 2015.

If you are no longer eligible for the exemption or do not return this form by the stated deadline, you will not receive the exemption during the upcoming parcel tax year and will be required to complete a new application to receive this exemption in the future.

I, _____, attest that I am the owner of the parcel identified above, that I continue to use the parcel identified above as my principal place of residence, and that I wish to have my senior exemption to the Measure A or Measure K Parcel Tax confirmed.
