

November 15, 2018

Greetings EUSD Parents/Guardians,

The purpose of this letter is to inform you that the Alameda County Council of Superintendents made the joint decision today to close all schools this Friday, November 16, 2018 due to poor air quality.

All classes, ECCL before and after school care, sports, and field trips are canceled. The decision to close schools was not an easy decision, so we certainly thank you in advance for supporting the wellness of our staff and students.

As previously planned, all schools are closed for the holiday break during the week of November 19 -23, 2018. We anticipate the district office and departments will remain open as planned on Monday, November 19, 2018, and Tuesday, November 20, 2018. Our schools will reopen, Monday, November 26, 2018.

If there are in changes, we will post future notification(s) on our website.

Please have a safe and restful break.

Sincerely,

Dr. Quiauna Scott
Superintendent
